

**REMARKS**

This supplemental amendment is being submitted to add new claims to the application in order to provide a more adequate basis of protection for the current inventions. Each of the newly added claims depends from one of the pending independent claims.

**CONCLUSION**

In view of the foregoing amendments and remarks, this application is considered to be in condition for allowance, and an early reconsideration and a Notice of Allowance are respectfully requested.

This Amendment does not increase the number of independent but does increase the total number of claims by 12 from 15 to 27, but does not present any multiple dependency claims. Accordingly, please charge the amount of \$364.00 to Sidley Austin LLP Deposit Account No. 18-1260.

If an extension of time is required to enable this document to be timely filed and there is no separate Petition for Extension of Time filed herewith, this document is to be construed as also constituting a Petition for Extension of Time Under 37 C.F.R. § 1.136(a) for a period of time sufficient to enable this document to be timely filed.

Any other fee required for such Petition for Extension of Time and any other fee required by this document pursuant to 37 C.F.R. §§ 1.16 and 1.17, other than the issue fee, and not submitted herewith should be charged to Sidley Austin LLP Deposit Account No. 18-1260. Respectfully submitted,
